MEMORANDUM FOR: Deputy Director (Intelligence)

ATTENTION : Assistant to the DD/I (Administration)

THROUGH : Deputy Director (Support)

SUBJECT : Area Training

REFERENCE : Memorandum from Assistant to the DD/I
(Admin) for Director of Training, this
Subject, dated 18 November 1959

1. The referenced memorandum is appreciated, and it is hoped that the planned reduction in scheduled area training courses will not affect significantly the training and development of DD/I personnel. As we have indicated previously, for reasons of economy we find it necessary to restrict our courses to training which is considered essential by the offices whom we must support.

2. We will continue to keep you closely advised as to the training to be offered in our revised area training program. In addition, we hope to retain some, albeit limited capability, to meet special area training requirements for which there is a stated need. Dead for which there is a stated enrollment.
